available so  
don't miss out!!!**

## " Partnerships in Fraud Investigations"

Colin Dyson, Detective Inspector, Commercial  
Crime Agency, NSW Police Service

*Formal partnerships are now developing between the NSW Police Service and the Private Sector in fraud investigations.*

**Corruption  
Prevention  
Network**

*Detective Inspector Colin Dyson will provide information on the current state-of-play of this approach.*

- How will this be achieved, and what are the possible benefits and outcomes?
- Are there areas of concern?
- What rationale is driving these partnerships?
- What will be the continuing role of the NSW Police Service in fraud investigation?

Assessment, Commercial Crime Agency. His experience in the investigation of major fraud has included investigations into major corporations, lawyers, accountants, organised crime and corruption in large public sector organisations, including one resulting in 2500 criminal charges.

Detective Inspector Dyson has lectured extensively at the Police Academy and Charles Sturt University in fraud investigation management. He has written numerous papers on the subject of fraud investigation, prevention, internal controls and risk assessment. He has been cited in papers and books by academics from Universities and the Australian Institute of Criminology. He holds Post Graduate Management qualifications from Wollongong University.

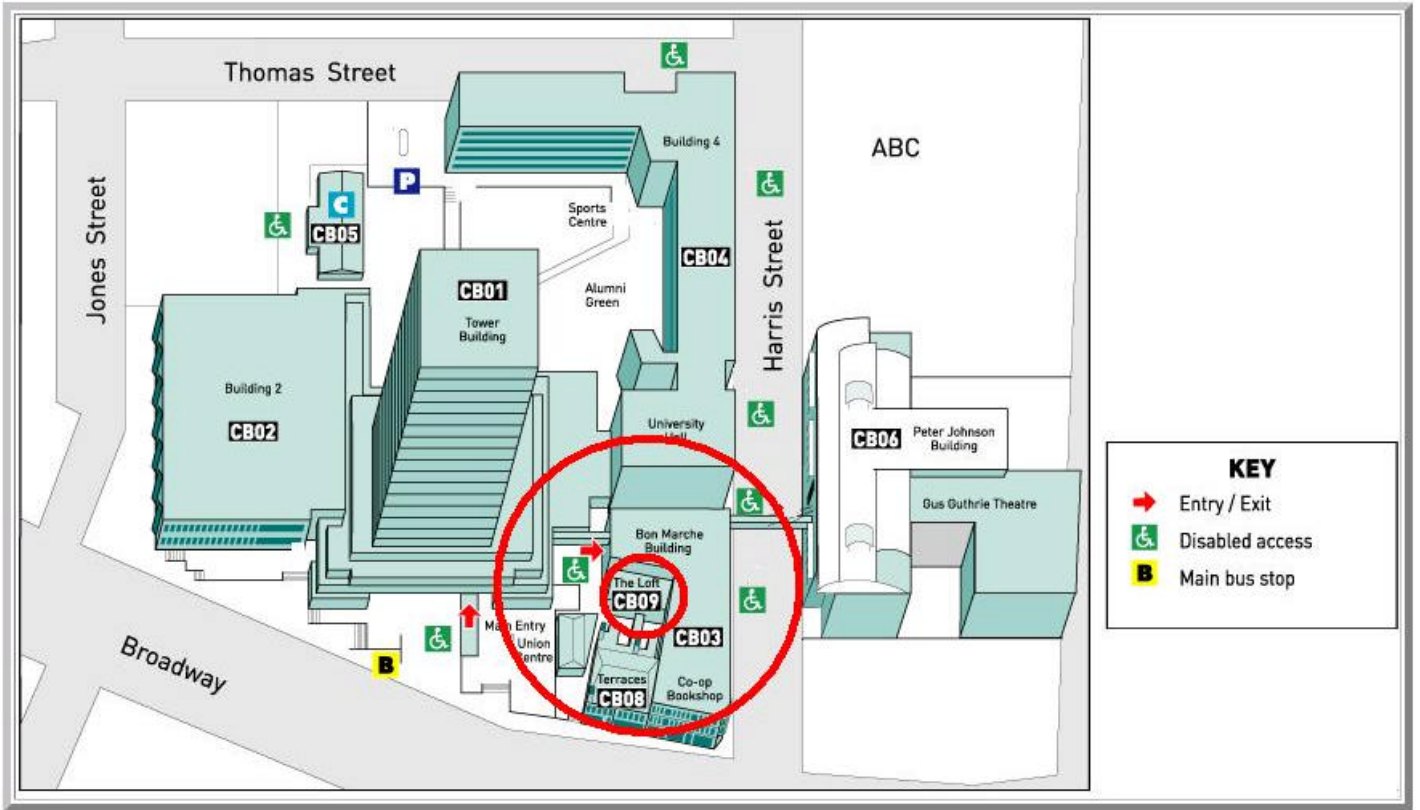

**Detective Inspector Colin Dyson** has been a member of the NSW Police Service since 1972 and has been involved in the investigation of major fraud for the past 20 years. He currently holds the position of Manager, Prevention and
