What is the Corruption Prevention Network (CPN)?

“Help each other” is the catchcry of the CPN - administered by a group of elected voluntary public officials practising fraud control and corruption prevention. The Audit Office of NSW, NSW Independent Commission Against Corruption, NSW Ombudsman and the NSW Police provide support.

The CPN seeks to broaden its contact base and welcomes participation by anybody in Australia and internationally, both from the private and public sector, who is interested in fraud control and corruption prevention. The CPN mission is primarily achieved by:

- conducting public forums
- operating an e-mail forum
- publishing newsletters
- maintaining www.corruptionprevention.net
- establishing strategic links with organisations having aligned interests to the CPN mission
